

Staffing Solutions

Your partner in meeting **staffing demands**.

MGT's staffing solutions empowers organizations with innovative, tailored staffing solutions. We specialize in providing comprehensive interim staffing services across local governments, school districts, businesses, and nonprofits. With **extensive experience** in city and county management, human capital, public safety, finance, IT, and public works, MGT is committed to helping you meet your staffing needs **efficiently** and **effectively**.

MGT Staffing Solutions

TEMP-TO-HIRE

Prefer to “test drive” the relationship with a candidate for a few months before deciding to make an offer? MGT can solicit, vet, and present candidates under a temp-to-hire scenario.

TEMP STAFF & OUTSOURCING

Do you have a short-term project need or a position that will only need to be filled for a few months or a couple of years and would rather avoid hiring the person directly? MGT can take the lead and find you the right candidate.

IT STAFFING

Information Technology professionals are in high demand. We offer tailored network and firewall staffing services for governments, corporations, and education institutions to meet IT staffing demands.

Positions We Have Filled

- Finance & Accounting Directors
- Community & Economic Development Leaders
- IT Professionals
- City Managers
- Fire and Police Chiefs
- Superintendents
- And more!
